

# InfraGard – North Carolina

A collaboration for infrastructure protection

## MEMBERSHIP BENEFITS:

- ◆ Gain access to a FBI secure communication network
- ◆ Learn time-sensitive, infrastructure related security information from government sources
- ◆ Network with other companies that help maintain our national infrastructure

## ABOUT INFRAGARD

InfraGard is a partnership between the FBI and the private sector made up of businesses, academic institutions, state and local law enforcement agencies, and other participants dedicated to sharing information and intelligence to prevent hostile acts against the United States.

The goal of InfraGard is to promote ongoing dialogue and timely communication between members and the FBI. InfraGard members gain access to information that enables them to protect their assets and in turn give information to government that facilitates its responsibilities to prevent and address terrorism and other crimes.

## OBJECTIVES

- Increase the level of information and reporting between InfraGard members and the FBI on matters related to counterterrorism, cyber crime and other major crime programs
- Increase interaction and information sharing among InfraGard members and the FBI regarding threats to the critical infrastructures, vulnerabilities, and interdependencies
- Provide members value-added threat advisories, alerts, and warnings
- Promote effective liaison with local, state and federal agencies, to include the Department of Homeland Security
- Provide members a forum for education and training on counterterrorism, counterintelligence cyber crime and other matters relevant to informed reporting of potential crimes and attacks on the nation and U.S. interests

## CHARLOTTE AND EASTERN CAROLINA CHAPTERS

Charlotte and Eastern Carolina (Raleigh) InfraGard membership is comprised of professionals from a variety of organizations encompassing the 18 critical infrastructure sectors. We hold regular meetings where speakers from both the public and private sector discuss issues, threats and other matters impacting their organizations. FBI Special Agent James Granozio is the North Carolina InfraGard Coordinator. He can be reached at [james.granozio@ic.fbi.gov](mailto:james.granozio@ic.fbi.gov) or 704-672-6351.
